

START THE YEAR WITH GRATITUDE AND JOY

with Women of Wisdom led by Susan Hahn

Please join us for a time of thinking and feeling into gratitude and joy using poetry, writing, art, (and a TED Talk!) as well as sharing with each other. We will make a Bright Word Mandala as a visual reminder of our gratitude and what helps us realize joy in our lives.

Saturday, January 8, 10AM to noon

In person in the auditorium at the
Plymouth Community Arts Council
774 North Sheldon Road
Plymouth, MI 48170

And on Zoom (ID 358 407 2821)

If in zoom, please have paper and a pen (or colored pencils) available for writing and making a mandala.

In light of the current coronavirus outbreak, we will not be serving a snack at this WOW meeting. We request the use of masks at this in-person gathering. We ask that you follow your discernment and extend compassion to others.
